MALTED ICED COFFEE

Next-level iced coffee with Saunders' Malt Extract – it's the flavour boost you never knew you needed on a warm summer day.

INGREDIENTS

- Ice cubes
- 1–2 shots espresso (depending on preference)
- 1 tbsp Saunders' Malt Extract
- 150–200ml cold milk of choice (dairy or non-dairy)

METHOD

- 1 Fill a tall glass with ice.
- 2 Pour hot espresso over the ice.
- 3 Stir in Saunders' Malt Extract until dissolved.
- 4 Top with cold milk and stir gently.
- 5 Serve immediately – sip and enjoy!
